

PRIVACY POLICY

Tractebel - a leading global player in energy, water and infrastructure engineering - is committed to protect personal data and privacy in accordance with ENGIE's Group Data Privacy Policy and the applicable laws and regulations, including the EU General Data Protection Regulation 2016/679 of April 27, 2016 (the so-called "GDPR").

In particular, the following principles will be respected:

LAWFULNESS, FAIRNESS AND TRANSPARENCY

Personal data must be processed lawfully, fairly and in a transparent manner.

PURPOSE LIMITATION

Personal data must be collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes.

DATA MINIMISATION

Personal data must be adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

ACCURACY

Personal data must be accurate and, where necessary, kept up to date. Inaccurate personal data should be corrected or deleted.

DATA RETENTION

Personal data should be kept in an identifiable format for no longer than is necessary.

INTEGRITY AND CONFIDENTIALITY

Personal data should be kept secure.

ACCOUNTABILITY

Personal data processing and all related measures must be recorded for accountability. This Privacy Policy applies to all Tractebel subsidiaries and entities, and each person acting on behalf of any entity. It is also part of our global objective of achieving excellence in all our activities.

These commitments are further detailed in the internal and external Privacy Statements and internal Rules.
